Annual Turkey Drive Set for November 22

■News Staff

Oakmont will hold the Ninth Annual Turkey Drive from 10 a.m. to 1 p.m. on November 22 in the Berger parking lot. Donations of frozen turkeys benefit the Redwood Gospel Mission's Great Thanksgiving Banquet, an annual feast held at the Fairgrounds, which provides meals to over 5,000 people.

Your donation of turkeys or money can also help to provide food boxes to families in need. The drive marks the ninth year Oakmont has participated in this important community outreach.

If you are unable to purchase a turkey, you may still make a donation during the hours of the drive. Please drop off a check made payable to the Redwood Gospel Mission or call drive organizer Susan Chauncy, (775) 313-7911, to make arrangements for check pick-up.

VETERANS DAY TRIBUTE

Each year in November, we as Americans pause from work, school, and other activities to honor the service of our nation's veterans. Serving this great nation and protecting our freedoms is a calling that requires perseverance and sacrifice like no other, and it is fitting that we take this day to recognize the men and women in uniform, both past and present.

This year is no exception. On Tuesday, November 11, we will gather at 10 a.m. (or earlier for coffee and donuts). In past years, we have featured presentations by a Guard from the Tomb of the Unknown Soldier, a talk by retired Air Force General Howell Estes, and, last year, a retired USAF physician who deployed twice to Iraq. This year, our program will feature Vets Club member and current Chair, John De Groot.

Army Specialist De Groot deployed to Vietnam in late 1962. Although he was trained as a personnel specialist, he never served in that role. Instead, he volunteered to be a door gunner with the first combatant helicopter company in Vietnam. As the U.S. effort in Southeast Asia expanded, he and his unit developed invaluable combat support experience.

Along with sharing his early experiences in the war, John will also speak about his recent Honor Flight participation. The *Press Democrat* even featured a photo of him being welcomed home.

Members May Now Opt-In to Electronic Voting

■Oakmont Village Association

Oakmont members now have the option to vote electronically starting with the 2026 OVA Board of Directors election. To participate, members must opt in by completing and returning the Electronic Voting Consent Form, which will be mailed to every Oakmont household, available at the OVA office, and posted on the OVA website at oakmontvillage.com/electronicvoting. The attached QR code will lead you to the online consent form.

The OVA office must receive the opt-in form by January 5, 2026 for it apply to the April 2026 election. Members need to opt in only once to be eligible to vote electronically in future elections. Forms received after this date will not apply to the upcoming election but will remain valid for future elections.

Electronic voting will be conducted through Pro Elections, OVA's Inspector of Elections, using a secure, third-party system in full compliance with California Civil Code. This ensures ballots are safe, private, and properly managed.

Electronic voting offers several benefits, including the convenience of ballots delivered directly to your inbox, the security of a trusted system, and the timely delivery of election materials without the risk of postal delays.

Participation in electronic voting is voluntary. Members who do not return the opt-in form will continue to receive a traditional paper ballot by mail. Paper ballots remain available for anyone who prefers them. If you would prefer to continue voting by paper ballot, you do not need to do anything.

Consent forms can be filled out online at oakmontvillage.com/electronicvoting, or they may be printed and filled out, then returned by mail or dropped off at the OVA office (Oakmont Village Association, 6637 Oakmont Drive, Santa Rosa, CA 95409), or emailed to electronicvoting@oakmontvillage.com. Forms will be available at the OVA office.

Questions? Contact Amber Mariani at electronicvoting@oakmontvillage.com or call (707) 539-1611 ext. 108.

OVA Employee Appreciation Fund

■Oakmont Village Association

As the seasons change and the holidays approach, many of our members have asked, "What can we do to recognize the work of the OVA staff?" In 2016, the OVA Board approved the Employee Appreciation Fund to recognize the non-management team with a special thank you in the form of a holiday bonus gift.

Donations will be distributed at year-end. Members who wish to donate may contribute via check by December 12 to the OVA Office at 6637 Oakmont Drive, Suite A.

Please make checks payable to OVA, and on the memo line, please write "EMP APP Fund" (OVA Employee Appreciation Fund).

The team at the OVA office is fortunate to work with the wonderful residents who make our job so enjoyable.

Something new is brewing at the Oakmont Central Activity Center! This December, residents can enjoy a freshly made cup from a self-serve coffee machine that crafts your drink in under a minute.

This new addition, contributed by Oakmont resident and retired chef Karl Turner, combines modern style with convenience and great taste. Turner described the machine as a "work of art," and plans to use Bella Rosa organic, fair-market coffee beans.

Stay tuned for details about the grand opening in the next issue of *Oakmont News*. You won't want to miss what's percolating!

Letter to the Editor

Dear Editor:

Last Thursday, the Oakmont Democratic Alliance (ODA) had a bingo night fundraiser scheduled for 6:30 p.m. in the East Rec. As luck (or PG&E) would have it, the power on the east side of Oakmont went out in the afternoon, and was scheduled to be restored at about 6:30 p.m. "OK, good enough," we thought, "we'll just set up at 6:30 and start our event at 7 p.m."

So at 6:30 we had about 60 people milling around outside the East Rec. and another six or seven people inside in the gloom setting up for the event. At which point some of us got a text from PG&E telling us that power would not be restored until 8:30 p.m. What to do? Reschedule (not easy, granted the demand on OVA facilities)? Cancel and refund everyone's ticket price? Difficult, since the Sonoma State Young Democrats were counting on the proceeds of this event to kick start one of their own larger events.

So, at around 6:45, Iris Harrel called Anita (at home) to ask for her thoughts on an alternate venue. Anita went into action, checked and found that the Berger was not in use that evening, said we could use it, and asked Maintenance to set up the room ASAP for our event (over 60 people at round tables), with room for appetizers, etc.

So, we told all the folks milling around to head for the Berger, while the rest of us scrambled to pack up all the food and supplies. As I left, a staff member was putting up an A-frame sign in the East Rec. parking lot and a sign on the door. By the time I arrived at the Berger a few minutes after 7 p.m., the lights and AV were on and working, the tables set up with chairs, and people were arranging the food and Bingo cards and drinks.

Our event was rescued! All thanks to the responsiveness, flexibility and competence of the OVA Staff. Please accept this note as a huge thank-you. At yesterday's Democratic Alliance Board meeting, we earmarked a good chunk of the proceeds from the event to the OVA staff Appreciation Fund.

NEW YEAR'S EVE BASH 2025

Ring in the New Year with style! The Sha-Boom Club is inviting Oakmont residents to close out 2025 in style with its New Year's Eve Bash, set for Wednesday, December 31 at the Berger Center. The celebration promises an evening of lively music, great food, and festive fun.

Doors will open at 5:30 p.m., and the event runs until 10 p.m. Guests will enjoy live music by the Second Street Band, a complimentary champagne toast, and a selfie photo booth to capture the night's memories. Dinner will be provided by Sweet T's Catering, known for their delicious cuisine.

The dress code encourages guests to "Sparkle and Shine—Dress to Impress," setting the stage for a glamorous evening to welcome the new year.

Tickets are \$115 per person and can be purchased by check, payable to Sha-Boom at the OVA office. Because this popular event traditionally sells out quickly, attendees are encouraged to buy tickets early.

Groups wishing to sit together should submit all checks in the same envelope. Tables seat eight people.

For more information or questions, contact Linda Van Bockern at lvanbockern@comcast.net or (707) 328-9941.

Valley of the Moon Rotary Club

DID YOU KNOW?

I'll bet you didn't know about the Oakmont Community Foundation, right? Well, you should know about this great organization. They provide financial support for groups or individuals who have ideas for educational and charitable projects or events that benefit Oakmont residents. Over \$400,000 has been awarded.

The Foundation Board recently expanded the qualifications for grant eligibility to allow individuals as well as clubs or OVA-approved groups to apply. They recently funded the AI speaker on October 24 at the Berger Center. OCF has assisted the Oakmont Library, Lifelong Learning, Movies at Oakmont, Grandparents Club, music, etc.

Jackie Ryan, a member of VOM Rotary, is the President of the Oakmont Community Foundation. The goal of Oakmont Community Foundation is to benefit all of Oakmont.

Also, did you know that next Friday, November 14, the Rotary and Kiwanis Clubs of Santa Rosa are presenting their Annual Veterans Tribute Luncheon at the Vets Memorial Building across from the fairgrounds? The keynote speaker is Colonel (retired) Misty Zelk, who is currently the Medical Director at Spring Lake Village and practicing geriatric medicine. It's been said that her talks bring everyone to tears.

Plus, a great sack lunch is provided by our very own Oakmont Village Market, a marching band and more patriotic tributes. Tickets are still available for \$20. Buy one for yourself and one for a veteran, so veterans can come for free. If you don't know a veteran, donate the ticket back and Rotary knows veterans to gift them to.

For tickets, e-mail me at starpower7@att.net and I'll get back to you.

If you didn't know about the Redwood Empire Food Bank, drop in on Thursday, November 20 to hear what's happening there. Meetings are at the East Rec. Center and begin at 8 a.m.

Oakmont Men's Group

■Art Fichtenberg, Administrator
(successor of Founder Gordon Freedman)

Over the last 14 + years, our 12-person Oakmont Men's Group has become very popular and often has a waiting list. Therefore, we will be organizing a new group for men, along the same lines as our existing group. Like our existing group, the new group will meet twice a month and will focus our discussions on issues relevant with aging men.

Such issues include, but are not limited to, the challenges of acceptance of diminished physical abilities, development of new hobbies and interests, health problems that you or your spouse/partner are facing, how aging effects relationships, the mental challenges of aging, the loss of a mate, and many other challenges that aging presents.

If you need a forum to discuss men's issues with other men in a safe and confidential place, you are invited to contact us and have your name placed on our waiting lists.

Our present group meets twice a month for two hours on the first and third Mondays from 1-3 p.m. There are no attendance requirements or dues. Our group is non-religious, non-political, and open to all men of Oakmont, married, single, gay or straight. This group has two openings, which will most likely be filled from our existing waiting list.

Once the two positions are filled, we will continue to seek new members to form the second group. Once five men have connected with us and been interviewed, the second group will begin operation.

If interested, or need more information, please contact me at (707) 484-1051 or email me at afichtenberg@aol.com.

WHEN: Wednesday, November 12, 9:30 a.m. Social, 10-11 a.m. Presentation, Q&A follows

WHERE: East Rec., 7902 Oakmont Drive

SPEAKER: Nancy Crevaling, Sonoma County Master Gardener

Nancy will cover the benefits of container gardening, what makes a suitable container, the vast types of plants that grow well in them and the best way to plant and maintain them.

Nancy has been a Master Gardener since 2009. She has been food gardening in a variety of containers since the 1970's and loves the flexibility it has given her in both apartments and houses with limited gardening space. She will have samples on hand and demonstrate how to plant a container that is healthy for you and the environment.

This presentation is our last for the year 2025. At this last meeting of the year, we will be electing the club officers for 2026. There will be a call for nominees from the floor.

We'll be back in January with another seasonal-themed program.

Happy holidays to all of you from all of us! Be safe.

A WISE WOMAN EXERCISES

Janet. (Photos by Charlene Buans).

Wisdom comes from North Dakota native, San Francisco transplant and former Kenwood resident, Janet.

When she was eight years old, her family moved from Grand Forks (snowfall: 37.2”) to San Francisco (freaky February 1976, 2”).

In 1976 she moved to the bucolic hills of Kenwood. Relishing the weather in their slice of Valley of the Moon, she and her husband hiked trails around their home. The last Kenwood “snowfall” was in 2019 and because they’d moved to Oakmont in 2011, they rejoiced.

No stranger to exercise, Janet began exercising as a teenager, an attempt she says “that compensated for her love of desserts.” Her teachers? Jack LaLanne and Richard Simmons.

In Kenwood, she jazzercised in the Kenwood Depot. “The Depot’s storied history seeped from basalt stone walls,” she says. “Built in 1887 for railroad trade, it lost its purpose when the automobile arrived. In 1940 the Women’s Kenwood Improvement Club bought it for \$10 but ‘only if events planned there were of community interest. And to this day, that agreement still stands.”

In Oakmont Janet’s introduction to OHI was when she met one of founders. “Tom Woodrum met me once and never forgot my name!” Long after Tom and Theresa moved away, Janet is still a faithful student, barely misses a class.

Or a hike. Her love of hiking takes her to both meditative (behind East Rec.) and challenging trails (Annadel). In addition to the Hiking Club, she enjoys the Singles Club, and the Needlework Club, where she knits.

Janet is motived by “people who have lived long lives and who have sharp minds. It’s because they’re active and socialize with friends.”

To her, fitness is “having the strength to do the activities I enjoy with ease and agility.” Wisely said, Janet.

IS CRYPTOCURRENCY A GOOD INVESTMENT FOR YOU?

In addition to our monthly Market Review, the main subject of the November 21 meeting will be a discussion of investment in cryptocurrency.

Cryptocurrency is a rapidly evolving area of the financial market and can be very volatile. It may not be appropriate for every investor, depending on individual risk tolerance and financial goals.

The presentation will offer an overview of what is currently happening in the crypto field, using materials originally developed by Zacks Research.

Please join the next InvestOAK meeting for a lively discussion on Friday, November 21 from 10–11:30 a.m. in the Birch Room at the Central Activity Center.

CALIFORNIA HISTORY—WHEN DID YOUR FAMILY COME TO CALIFORNIA?

All Oakmont residents are invited to the next Genealogy Club meeting on Nov. 24, 1 p.m. at the East Rec Center.

Let’s share our family stories! This session will highlight the many ways families came to California. Tell us when your family arrived—and what drew them here.

People reached California by countless paths. Your ancestors might have been:

- Indigenous peoples who have always called California home.
- Mexicans or Californios living here before statehood.
- Early settlers who crossed the Sierras.
- Gold seekers rushing west, or one of the Europeans who came to California to find gold.
- Chinese or Japanese labor migrants, or other non-Europeans who came to California.
- Families who came west after the Civil War with the transcontinental railroad.
- Migrants escaping the Dust Bowl or seeking work during the Great Depression.
- Military personnel or students who came here and stayed.

You don’t need to be a genealogist to enjoy this conversation—just bring your curiosity and your family’s story.

If you have a migration photo to share, please email it to oakmontancestry@gmail.com.

Oakmont Rainbow Women

■Nancy Schmit

MAKE A FAMILY HOLIDAY MERRY AND BRIGHT

This holiday season, the Oakmont Rainbow Women (ORW) is again sponsoring a community-wide toy drive to benefit YWCA Sonoma County (www.ywcasc.org).

Donations of new toys can be dropped off anytime December 1-11 at the OVA office. The most useful and appreciated donations are new toys, unwrapped and in their original packaging, for ages 0 to 16. Wrapping will be done after parents select appropriate gifts for their kids. Gift cards are also appreciated (Target, Safeway, Visa, gas), as well as art supplies, toys and warm clothes (brand new warm coats for ages 0–adult).

Other collection sites and dates: you may drop off unwrapped gifts on December 3rd at the Tree Lighting event at the Berger Plaza about 5:30 p.m. and ORW will host a “drive through” donation drop-off, where people can hand off packages without even getting out of their cars, on Saturday, December 6, between 11 a.m.–2 p.m. in the Berger parking lot. Look for the canopy and a smiling ORW Santa’s helper.

Sadly, this year alone, Sonoma County has experienced six incidents of domestic violence resulting in the loss of life for thirteen individuals. Since 1976, YWCA Sonoma County has been our community’s singular and vital provider of comprehensive domestic violence services. We operate the only 24/7 DV Crisis hotline, (707) 546-1234 from inside the walls of the only confidential Safe House shelter in Sonoma County. Learn more at ywcasc.org—and please give generously.

CHRIS COLMBE TO SPEAK ON THE POTTER DAM PROJECT

The speakers for the October meeting were the North Bay Young Republicans, not Chris Colmbe, who will be speaking at our November meeting. A summary of the NBYR meeting will appear in the next issue of the *Oakmont News*.

On November 25, Chris Colmbe will join us to explain how, in his words, the Potter Dam project will impact thousands of families, farms, and businesses across three Northern counties, Sonoma, Mendocino and Marin. In his words, the removal of two dams could raise living costs, strain firefighting efforts, and put more fiscal pressure on local economies, and why, in his words, better solutions that avoid long-term damage are being overlooked.

Regardless of your political leanings, water is highly critical to every aspect of our lives and future. Please come and learn what you can do to support the continuation of the Potter Dam project. Come and find out how you can get involved.

Monthly meetings are held on the fourth Tuesday of each month from 4–6 p.m. in the Berger (6633 Oakmont Dr). Food and beverage welcome.

Members, please use the sign-up button in the emailed invitation to RSVP with YES, NO, or MAYBE. Non-members, please email TheNewOakmontCC@gmail.com and include your full name and that of your guest(s).

AARP Tax-Aide Program

VOLUNTEERS NEEDED FOR TAX SEASON

AARP Tax-Aide program helps seniors and lower income adults prepare and file tax returns. We have a thriving program here in Oakmont, but only because we have a great group of volunteers who help greet taxpayers, organize documents and prepare the tax returns. The Tax-Aide program at Oakmont runs Mondays and Wednesdays from about 9 a.m. to 2 p.m. during tax season (February through mid-April). If those are not good days for you, we do have other nearby sites where you can help out on other days.

You do not need to have prior tax experience to be a volunteer. Training is provided as is all equipment needed. Our group is fun, collaborative and supportive. Volunteering with Tax-Aide is also a great way to exercise your brain and keep up your computer skills. Last year Tax-Aide prepared and filed over 1.2 million tax returns nationwide and over 400 just at the Oakmont site!

There are four new volunteer orientation meeting scheduled. In person at Franklin Park Clubhouse, 2995 Franklin Ave. in Santa Rosa on November 18 and December 5 or via Google Meet on November 24 and December 1. Sessions run 10–11:30 a.m. and you need only attend one of the meetings. For more information or to reserve a spot at one of our orientation meetings, please call (707) 327-2401 or send an email to TaxAideSonomaCounty@gmail.com.

END OF LIFE DISCUSSION

Cafe Mortel welcomes all Oakmonters to our discussion-in-the-round this Wednesday, Nov. 12, 3–4:15 p.m. in the East Rec. We find that talking about dying and death in a supportive setting helps us get more comfortable with the inevitable end of life. We also discuss local resources, articles, books, podcasts and other information that help us prepare. This is not a support group, rather we come to learn from each other’s experiences. And we laugh! Join us, won’t you?

NEW EOL PLANNING WORKSHOP

Cafe Mortel will present a 6-part workshop called End-of-Life Planning with Heart beginning January, 2026. You may have a trust or will, but there is so much more to put in place in case of incapacity and for death so that others may honor your wishes.

In this workshop, we will take steps to prepare for the end of life not only in a practical way but also emotionally and mentally. Through self-exploration, we will move toward a feeling of completeness, which brings a sense of peace about our mortality.

The workshop dates are Jan. 9, Feb. 13, Mar. 13, Apr. 10, May 8, and Jun. 12 from 1:30–3:30 p.m. in Oakmont. The workshop will be led by me, end-of-life planning guide and doula. For more information, cost and registration, contact me at linda@autumnoflifeplanning.com.

LOOKING FORWARD

Advance Health Care Directives with Heart is coming again in February. Details coming soon!

Final Exit Network October workshop was cancelled. It will be rescheduled in 2026.

SLOT-CARS UPDATE—NOVEMBER

All OVA residents with a proximity card are considered members of the Slot-Car Club—no membership fees required. Family members are welcome to participate in club events; all attendees are simply asked to sign the event register.

The club will host three days of racing at the Sugarloaf facility on December 27, 28 and 29, featuring two tracks and 18 Carrera digital 1/32-scale GT cars with 12 hand controllers available for use. Participants may bring their own compatible cars and controllers but should indicate this on the sign-up sheet (see below).

The smaller track will be designated for younger children and beginners. It includes crash zones to make learning more forgiving. Drivers accelerate by pressing down with their thumb and brake by lifting up before sharp turns. With seven different types of corners—some fast, some slow—practice is key to mastering the course.

The larger track will host 10-minute races each hour, with practice sessions in between. Races will include a simulated fuel mode, requiring cars to enter the pit every 15 laps or so for refueling to maintain top speed. If enough participants sign up, drivers will rotate so everyone has the chance to compete in at least one race per hour.

Track design by Ray Wells.

More information and a sign-up sheet are available in the Slot-Car Club folder at the OVA main office, where residents can pre-book a time slot. Pre-registration and driving are not required—spectators and volunteers to help marshal the cars are always welcome.

The Wildland-Urban Interface in Oakmont Village

■Roger Biery, Firewise Task Force

This is Part 1 about how the City of Santa Rosa and the state of California have designated areas within Oakmont Village as being vulnerable to wildfires. It is important to know these designations for your property because each imposes a different set of regulations pertaining to defensible space and other safeguards against wildfires.

In 2009, the City of Santa Rosa designated about half of Oakmont Village to be in a Wildland-Urban Interface, or WUI that rhymes with “chewy” (see map). A WUI is considered to have a significant vulnerability to wildfires.

Santa Rosa’s City Code Chapter 9-32 on Hazardous Vegetation and Fuels Management requires property owners within the WUI to maintain defensible space. As stated in the chapter’s purpose and intent: “Benefits from defensible space and fuels mitigation include: prevent loss of lives, reduce fire suppression costs, reduce private property losses and protect natural resources from devastating wildfire.”

A set of frequently asked questions about WUI vegetation management is available at www.srcity.org/faq.aspx?qid=1142. One of the questions involves inspections, which the Santa Rosa Fire Department plans to conduct in the Oakmont Village WUI in 2026 to educate residents about complying with the city’s defensible space requirements.

New construction on properties within a WUI must also comply with California Building Code Chapter 7A on “Materials and Construction Methods for Exterior Wildfire Exposure.” Anyone wishing

to protect an existing home against the threat of wildfires, potentially as part of a “facelift” or remodel, will find these guidelines quite useful.

More information about WUIs is available at www.srcity.org/596/Wildland-Urban-Interface. More information about preparing for a wildfire is available at oakmontvillage.com/firewise-resource-center, where you can also request a Firewise Defensible Space and Home Hardening Assessment of your home.

The Santa Rosa Fire Department is in the process of updating the city’s WUI map, so there may be some changes that affect Oakmont Village. One of the changes will involve the state’s updated Fire Hazard Severity Zone designations, which will be covered in an upcoming edition of the *Oakmont News*.

CELEBRATING ANOTHER GREAT YEAR

With the Oktoberfest tournament and potluck picnic lunch event in the record books, the Oakmont Pétanque Club is celebrating the end of another playing season and a very successful year.

The club held its third annual home and home match tournament against Santa Rosa’s Pétanque La Rose club. A full slate of players participated in the Springtime, Bastille Day, and Oktoberfest tournaments and picnic lunches. Members enjoyed gathering for casual club play on Monday, Wednesday, and Saturday mornings and continuing the tradition of two Evening Pétanque social/play nights in June and August.

The bi-weekly club column continues in the *Oakmont News* in addition to regular e-newsletters to members. The club continues to welcome new members, expanding its roster to a new record-high 77 members, and looks forward enthusiastically to planning for 2026.

Oakmont Parkinson’s Support Group

■Christine Nota

ACTIVITIES INCLUDE SPEAKERS, EXERCISE CLASS AND PING PONG!

The Oakmont Parkinson’s Support Group meets the first Friday of every month, 10–11:30 a.m., West Recreation, upper meeting room. Most meetings include a knowledgeable speaker with expertise in Parkinson’s or aging and a round robin for sharing how members are doing and anything they have experienced or learned recently about living with Parkinson’s Disease (PD). The meetings welcome people with Parkinson’s and their family and friends. The focus is continuing to live well despite the disease.

Support group members exercise together every Tuesday, 9:30–10:30 a.m., East Recreation Center. The class is taught by PD-Connect, a nonprofit based in Sonoma and Marin Counties. PD-Connect focuses on living well despite PD and using exercise as medicine to delay the disease.

Research has shown this is possible. PD-Connect says that “exercise is the medicine but not all exercise is created equal,” which is the value of exercising with an experienced PD-Connect physical therapist. The exercise class focuses on challenging balance, agility, strength, coordination, and aerobics. Moderate to high intensity exercise is shown to help slow the progression of the disease. People with other conditions or limitations are welcome.

In addition, members of the support group formed the Oakmont Ping-Pong Parkinson Club. The club plays ping-pong twice a week at West Rec. Ping-Pong improves PD symptoms and may delay the disease. Members of the club have experienced considerable improvements in how they are feeling and they are having a blast.

If you are interested in any of these activities, please contact me at chrisnota@gmail.com.

OakMUG Oakmont Macintosh Users Group

FAREWELL OAKMUG

As you are likely aware, OakMUG is nearing its conclusion. Our final meeting will be held on November 15 at 2 p.m. at the East Recreation Center.

OakMUG has been an integral part of Oakmont for many years. Initially, it was held monthly, but we subsequently transitioned to an every-other-month schedule. Notably, we organized a sign-up event for bringing treats to each meeting, and we provided coffee and tea. Those were truly memorable days.

Alan Schackman, Bette Shutt, and Peggy Clark have continued to maintain the momentum of OakMUG. However, we have decided to step back from our responsibilities and have been unable to find volunteers to assume our roles. We understand that there are individuals who would like to see OakMUG continue, but despite our repeated requests for volunteers, we have been unsuccessful.

Pat Barclay, a member of our Board of Directors, who serves as our AV representative, will be speaking at our next meeting. The topic of discussion will be Q&A. If you have any questions, please email them to me at oakmontmacusersgroup@gmail.com, and I will forward them to Pat.

In the interim, the Oakmont Technology Center will continue to offer hands-on classes in our classroom at the CAC. Additionally, Pat Barclay is always available to provide technical assistance. We also have John Wenworth from Technology Simplified to assist you with any technical inquiries you may have.

Playreaders

■D. Hall

PRIESTS TO BATTLE IT OUT

On November 10, the second half of *Mass Appeal*, by Bill C. Davis, will be read by Oakmont Playreaders. It’s about conflicting priorities between clergymen—one is traditional and obsequious and the other young and idealistic. John Dolan and Jim Preston are featured.

Oakmont Playreaders has a terrific group of men and women who read plays aloud and even do a bit of amateur acting before small audiences. Right now, we have a specific need for more men with a bit of the acting urge to fill out our casts. Is that you? No need to memorize lines! We read from a script. We are a friendly, supportive, totally unthreatening group and we just have fun. Come and see! For more information, call John at (831) 521-7627.

See Oakmont Playreaders the first two Mondays of every month in Room B (Birch) of the Central Activities Center at 2 p.m.

MEDITATING TOGETHER WEEKLY MEDITATION SESSIONS AT CAC

“You are not just a person. You are a conscious and formless presence.”—Eckhart Tolle

Our meditation circle is growing! We invite you to join one or both of our weekly drop-in meditation sessions which have been taking place for many years.

Saturdays at 10:30 a.m. in the CAC Building, Room B: This is a 35-min. meditation. This session frequently begins with a short 15-20-minute talk about various aspects of meditation.

Tuesdays at 4 p.m. in the CAC Building, Art Room: A 30-min. meditation. Beginning and experienced meditators are welcome.

We approach meditation as a non-denominational practice.

If you have questions, please contact Trisha Mitchell, (650) 255-4026.

Governing Documents: Get Involved, Be Heard

■Jerry Gladstone, OVA-GDC Board Liaison

The Board of Directors appointed a standing committee to modify and update the OVA Governing Documents (Bylaws and CC&Rs). Why? To ensure they comply with the law, to make it easier to navigate and understand, and to better reflect Community Preferences.

There are three distinct steps to the process: modifying the vote Quorum/Thresholds to make it possible to pass a change, creating a streamlined process to make them comply with the law without burdening the membership, and gathering Oakmont Community input—your chance to suggest changes or modifications.

The entire process is monitored and checked by a dedicated Adams-Stirling attorney team and of course all changes will be put to community vote.

There has already been a Town Hall and a Fireside Chat. More informational sessions are scheduled (see Oakmont News, Oakmont website, askGDC@oakmontvillage.com, Inside Oakmont email blast, etc.).

Please get involved and informed so that OVA may move forward. The present Governing Documents are 60 years old and were written by the Oakmont Developers for their benefit. Time to update and modify for the OVA membership’s benefit.

Long Range Planning Committee (LRPC) Seeking New Members

■Monica Heath, LRPC Chair

The Long Range Planning Committee (LRPC) is looking for new members who are interested in developing an overall plan for Oakmont that will help determine the direction and future of our community over the next decades. The goal of the LRPC is to create a strategic roadmap, with resident feedback, that anticipates services, needs, and wants of future generations of Oakmont residents and help prepare for those needs, including technology, land use, facilities, and opportunities to enhance the operation and communication needs of the community.

LRPC volunteers serve as a crucial connection to listening and recognizing residents current and future needs. This is an especially great opportunity for new residents to get involved in shaping the Oakmont future in which they will live. Experience in project management, planning, or communications is helpful but not required. The most essential skill: listening to others.

If you are interested, please submit a brief statement of interest and brief résumé, including relevant experience, by noon on December 1, to askOVA@oakmontvillage.com.

Electrical Panel Safety Reminder

■Oakmont Village Association

Homeowners are encouraged to have their electrical panels checked by a licensed electrician, especially if their homes still have the original equipment. Over time, some older panel models have been reported by industry sources to have performance or reliability concerns.

An inspection can help ensure your system is operating safely and may also be helpful for insurance purposes.

LOMAA recently published an article on updating old electrical panels, which you can read at oakmontvillage.com/lomaa under “Articles” in the Library tab.

Note: OVA does not inspect or endorse specific products or contractors. This information is provided for general awareness only.

STAY SAFE DURING WILDFIRE SEASON: ENCOURAGE FAMILY TO USE WATCH DUTY

As we in Oakmont know all too well, living in Sonoma County means living with the reality of wildfire threats. In recent years, our community has faced repeated evacuations, rapidly changing conditions, and the daunting task of staying informed in the midst of emergencies. For many older adults, managing instant updates and making quick evacuation decisions can be stressful and overwhelming.

One simple step can make a big difference: ask your family members who live outside the area to download and subscribe to the Watch Duty app. This free app is staffed by trained citizen reporters and provides real-time wildfire updates, including fire size, location, and evacuation notices. Many Oakmont residents already use it, but having family on the app as well creates an important layer of support.

Here’s how it helps:

- Family members who follow local fire reports on Watch Duty can monitor threats to Oakmont from afar.
- They can help interpret which official updates are most urgent.
- They can call or text to remind residents if an evacuation order or warning is issued—even if those residents haven’t seen the notice right away.
- They provide peace of mind, knowing that loved ones are engaged and watching over our safety.

Evacuations often have to happen quickly, and stress can cloud judgment. With trusted family members monitoring events in real time, Oakmont residents gain an extra level of reassurance and guidance when every minute counts.

Please consider asking your children, grandchildren, siblings, or close friends outside Sonoma County to download Watch Duty. It takes just a few minutes to install on either iPhone or Android devices, and it is completely free to use.

By working together and empowering our families to stay informed, we can make Oakmont a safer community during wildfire season.

GUS LEE COMING TO OAKMONT

The Asian Pacific Heritage and Culture Club is proud to welcome acclaimed author Gus Lee as the featured guest at their next meeting on Wednesday, November 12, from 2–4 p.m. at the West Rec Center.

Lee’s path to becoming a writer was anything but ordinary. After attending the U.S. Military Academy at West Point, he went on to study East Asian History and later earned a law degree from the University of California, Davis. In 1989, what began as a private family memoir at his daughter’s request unexpectedly grew into his first novel, *China Boy*.

Gus Lee.

“My daughter asked me to write a family journal and it turned out to be *China Boy*,” he explained in an interview. “Say you always wanted to bat .300 but had never played a game before. You’re at the ballpark and they let you hit. Everything they pitch, you hit,

and you didn’t even know you could hit before. That’s the way I feel about writing. I never had any literary training, did any workshops. *China Boy* just happened.”

China Boy introduced readers to Kai Ting, the American-born son of Chinese immigrants growing up in San Francisco’s Panhandle neighborhood. The novel received widespread acclaim, with the *New York Times* Book Review likening it to Amy Tan’s *The Joy Luck Club* and Günter Grass’ *The Tin Drum*. *Time* magazine hailed it as “delightful,” and it remained a bestseller for six months while earning a place on the *New York Times* list of Best 100 Books of 1991.

Don’t miss this special opportunity to hear from Gus Lee about his journey as a writer and the stories that shaped his work. This free event is open to Oakmont residents and their guests.

WHAT IS SNOOKER?

What is Snooker in the game of Billiards? Do the people of Oakmont know that there is a Billiards room?

The 10-foot Snooker Billiard Table setup for play in the Oakmont Billiards Room at the East Recreation Center.

Billiards Club

Snooker is a British originated game in India; played on a larger table, with smaller balls and smaller pockets. A very interesting game of precision pool strokes, offense and defensive strategy and exciting camaraderie.

Snooker is played on Wednesdays at 1 p.m. and generally the first four players start a game. Additional players will play in a follow-up game, and spectators are always welcome.

As a game is being played, guidance on how to play is offered by one of the players and how to score. It really is an exciting game. One may hear “I hate this game,” but the achievement of potting several balls in a row is exciting.

Come and watch or if you’re interested in playing. Come at 1 p.m.on Wednesdays. There is also a set of snooker balls in the corner cabinet for everyone to use. Rules for all the billiard games are posted on the bulletin board.

Come give it a try. You may like it!

Great Decisions

JOIN YOUR NEIGHBORS IN DISCUSSING GREAT DECISIONS

“Great Decisions” is the United States’ (and Oakmont’s) largest discussion program on world affairs. It focuses on the most critical global issues facing the United States today. The program involves reading the *Great Decisions Briefing Book* and participating in a discussion group with your Oakmont neighbors. There are 30-minute videos available online to supplement the *Briefing Book*.

Early 2026 will be an especially interesting and challenging time to discuss world affairs, considering the turbulent foreign policies of the Trump Administration and the continuing global search for resolutions of the wars in Ukraine and the Middle East. These topics are included in the 2026 discussions.

You don’t need to be an international affairs expert to participate. Each of us brings a fascinating personal perspective from a lifetime of learning, experiencing, and traveling. Occasionally we have a neighbor with particular knowledge of the part of the world being discussed, and we all benefit from that.

Meetings for 2026 are 10 a.m.–12 noon on Monday mornings every other week from early February through mid-May in the East Rec. Center. The eight topics for 2026 are:

- 1: America and the World: Trump 2.0 Foreign Policy.
- 2: Trump Tariffs and the Future of the World Economy.
- 3: U.S.-China Relations.
- 4: Ruptured Alliances and the Risk of Nuclear Proliferation.
- 5: Ukraine and the Future of European Security.
- 6: Multilateral Institutions in a Changing World Order.
- 7: U.S. Engagement of Africa.
- 8: The Future of Human Rights and International Law.

The only cost to participate is \$28 for the *Briefing Book*. The videos are free online.

We look forward to having you with us discussing Great Decisions.
